

E.B.Schott (AKA Christine Forster) will be presenting her newest collection on Friday June 2nd, 2017 as part of First Friday in the city of Binghamton, NY. The show, called "The Schism of U.S." will be displayed at the Lost Dog Cafe & Lounge, 222 Water Street, Binghamton, NY.

The Lost Dog Cafe is a well established business that caters to all things artistic, including music, art and poetry all while serving delicious food and drinks. It is rare to find anyone who lives in or near Binghamton who has not eaten or visited the Lost Dog at some point in their lives.

We look forward to seeing you at the Lost Dog in June for this event.
